Bridger School District

NONINSTRUCTIONAL OPERATIONS 8132

Activity Trips

The use of school buses is strictly limited to school activities. Buses may not be loaned or leased to non-school groups, unless permission is specifically granted by the Board. Buses will be operated by a qualified bus driver on all activity runs, and only authorized activity participants, professional staff, and chaperones assigned by the administration may ride the bus.

A passenger list will be made for all activity trips. The professional staff member in charge on the bus will report exceptions to the list by writing or phone to the Transportation Supervisor.
